- Q.3. Depict Your personality through a geometric shape, in colour.  
Give one word title to design.

***My personality is Artistic***

I have tried to portray my self through a triangular shape, which is also the symbol of ambition and focus. It is energetic and intense (because of the angles). Triangle represents action. I am very passionate towards art, so I have filled the triangle with A. H. Raza, Piet Mondrian and Vangogh style paintings. I have selected a bright colour palette to represent my optimistic nature.
